

Employee Training Record Form

Initials:

____ I understand that if I am aware of any near-misses, safety concerns, or involved in any accident I will be responsible for notifying my supervisor or the safety officer immediately.

____ I am aware that if I violate any of the Rand Construction rules, policies or procedures, I jeopardize my employment with Rand Construction.

____ I have reviewed Rand Construction's Safety and Health Manual. I will be held accountable for, all the information contained therein.

Safety Equipment Issued: _____

Hazard Communication Training Statement

I have received training on the Hazard Communication OSHA Standard 1910.1200, specifically:

I am aware of the Company Written Hazard Communication Plan and it's location and I know that I may see the written plan by asking my supervisor or safety officer.

I am aware of the list of hazardous chemicals used in my workplace and that I may see the list and any Material Data Sheet (MSDS) by asking my supervisor or safety officer.

I am aware that the Safety Director is responsible for the overall conduct of the Hazard Communication Program.

I am aware that I have the right to have any MSDS shown and explained to me for all hazardous materials that I work with.

I understand the difference between routine and non-routine hazards.

I understand that I am to report any spill of any hazardous material to my Supervisor or Safety Director.

I understand the labeling system used and that I am to report any unlabeled containers to my supervisor.

I understand that I am to take all proper precautions with chemicals, including proper use of Personal Protective Equipment, storage, transfer, use, and disposal.
